## **THE 45<sup>th</sup> ANNUAL MULTI MEDIA MINI SHOW**

March 6 through March 27, 2014

at the Redlands Art Association Gallery and Art Center

**ORIGINALITY, QUALITY, VARIETY IN SMALL WORKS**

What is our MULTI-MEDIA MINI Show? Artists submit recent works of original design in all media such as photography, sculpture, ceramics, constructions, drawings, graphics, paintings, etc. (that's the Multi-Media part), and ...14 2" or smaller (that's the Mini part).

Mini means something that is smaller than average. A small piece of art invites you to come closer – get more personal with it.

**Jurist – Thom Wright**

Thom Wright has combined his passions for art and engineering, and his two practices benefited from each other. After graduating with a BA & MA in mathematics from UCLA and CSULA, he began a career in aerospace. While working in advanced space systems and technologies development, he began taking art and art history courses at local community colleges. He began selling his art and successfully entering competitive shows in 1978.

His interest initially centered in abstract landscape and figurative painting, influenced both by 20<sup>th</sup> century European modernists and American expressionists. By 1986 his subject matter moved toward contemporary issues, including technology, geopolitics, and the global environment. His abstract painting style also migrated towards inclusion of industrial materials, found objects, and mixed media.

Desiring to improve his skills, theory and knowledge in art, he took early retirement and by 2006 completed the MFA program in Drawing and Painting at California State University, Long Beach

A gallery of his paintings can be seen on his website, [www.thomwrightart.com](http://www.thomwrightart.com).
