

## The Seventh Annual OPEN AIR ART for OPEN SPACE SHOW

### *"Treasures of Redlands"*

Show Dates: April 11-17, 2011  
Co-sponsored by Redlands Art Association  
and the Redlands Conservancy

All Plein Air artists are invited to paint on location at 6 beautiful, historic buildings listed below. We've been very fortunate in obtaining permission to paint on the grounds of The Burrage Mansion and at Kimberly Crest, and urge artists to take advantage of these "once in a lifetime" opportunities. Artists are invited to enter the resulting artworks for the Show-Within-A-Show at the Redlands Art Association gallery, 215 East State Street. Take-in for artworks is on Saturday, April 9 from 12-4. Pick-up unsold artworks on Sunday, after 4:30 pm, and also on Monday from 10-5. Maximum size is 36 inches in the longest dimension, including frame, and paintings must be dry, framed and securely wired for hanging. The entry fee is \$15 for the first entry and \$5 for each additional entry, with a maximum of 3 entries per artist. Art sales will be handled through the Redlands Art Association, with 30% commission shared equally by the RAA and the RC. The reception and awards ceremony will be held in conjunction with the Spring Flower Show reception at the RAA gallery on Saturday, April 16 from 2-4. Elin Pendleton will judge the show for cash prizes: \$150 for First Place, \$100 for Second, \$50 for Third as well as Honorable Mention ribbons.
