

**REDLANDS ART ASSOCIATION GALLERY AGREEMENT**

1. I understand the RAA Gallery has the reputation of exhibiting fine art and fine crafts. I agree to show only my original artwork and of my best quality in the Gallery. Exception: original artwork by a deceased RAA member may be shown by an heir who is also a RAA member. All such work will be for sale and priced by me. Any reproduction of my original work will be clearly marked as such on the label.
2. RAA carries minimal insurance on artwork shown in the gallery. Therefore, I accept total responsibility for loss due to, but not limited to, earthquake, fire, water, vandalism or theft.
3. RAA volunteers will handle art works with all reasonable caution. If damage occurs at the Gallery due to carelessness, RAA will reimburse me for the damaged part (i.e. glass, frame, base) or the entire artwork, or in the case of works of glass, ceramic or pottery, upon presentation of a bill from me for the replacement of the damaged part or art work (no more than stated price less 30% commission.)
4. I will deliver and pick up my artwork as per the take-in schedule. If I need to bring my work in prior to or after the take-in day, I will call the Gallery Coordinator for permission and instructions. I know the gallery does not have storage space and any work left for more than 30 days will be deemed abandoned and become the property of RAA to be disposed of as they see fit.
5. In order to maintain freshness in RAA's exhibits, wall art may not be reentered for two show periods following its first exhibit. Other art work such as table items, matted items, cards, jewelry, fiber art may be rolled over for a subsequent exhibit with payment of fees at each Take-In, a new inventory sheet, and the items moved to the collection area for the new exhibit.
6. I will properly frame and/or prepare my artwork according to Gallery standards, i.e. wire on frames, no staples showing, clean mats. If not, I will be contacted to correct the artwork before it will be displayed.
7. I understand that the Take-In Committee has sole discretion to reject artwork that is not up to Gallery standards. Also, that the placement of my work is at the sole discretion of the Hanging Committee. I further understand that if my work requires special hanging or display hardware or if my wall hung art weighs more than 15 pounds, the Hanging Committee may determine alternate methods of displaying these pieces.
8. I authorize RAA to sell my artwork at the price designated by me and understand RAA will deduct and retain a fee of 30% of the selling price. Checks will be mailed by the 10<sup>th</sup> of the next month, i.e. Sept. sales commission will be mailed by Oct. 10. If I sell any artwork off-premises because of RAA exposure, I will pay RAA a 20% referral commission.
9. I know the volunteers are an integral part of the association. For each show period that I participate in, I am required to choose one of the following:
 

*Due to the pandemic situation, Docent help has been removed until further notice.*

  - a. Pay the category fee(s) and apply for alternative volunteer work assignment, to be completed within a show period. The Gallery Oversight Manager works with the Gallery Coordinators to develop these alternative volunteer work assignments as well as review and approve alternative volunteer work applications. If no alternative volunteer work opportunities are available at take-in, another option must be chosen.
  - b. If I am unable to docent and do not perform an alternative volunteer work assignment I will pay the category fee(s) and a \$15.00 charge payable to the Gallery, not to an individual.
  - c. I understand the Gallery Oversight Manager in collaboration with the Gallery Coordinators has the power to determine who can receive full or partial exemption from their docent assignments.
10. The gallery coordinator will notify me when my artwork is sold. I understand that I can replace it with a work of similar size at no extra fee during the show period.
11. For customers who inquire about me or my art, the Gallery coordinator will call me with the customer's name and phone number. If I sell any art due to RAA's referral, I will pay 20% commission to RAA.
12. Wall artists may bring in a single extra piece for the Redlands Wall (beyond the 3 primary allowable pieces) under the following conditions: The image must be depicting a recognizable scene or landmark in Redlands or its environs. Be sensible about the size of the piece being submitted as the Redlands Wall space is not large and must be available to the art of all members. This additional piece will be placed on the wall only after those pieces of artists who have designated their primary pieces as Redlands art. If the Hanging Committee does not have space for all the single extra pieces for the Redlands Wall, I may be called and asked to pick up my Redlands piece.
13. I consent to have me and/or my art in photographs taken at the Redlands Art Association or during RAA activities, to be used in RAA-approved publicity, publications, displays, and/or the website.
14. In all, I understand that the RAA Gallery and Art Center relies on every member to contribute some effort to the welfare of the Association by honoring this agreement. In return, RAA will do its best to promote public awareness of the Gallery & Art Center; its members and all it has to offer.

The Gallery is our showcase for sales and art classes.

We are all promoting each other, art education and the visual arts in general, to the people of Redlands.

You are a value to the association.
